Demi-Official Letter No.7439, dated the 27th September 1919 from the First Assistant to the Resident in Mysore, to the Dewan of Mysore:--

* * * * * * * * * * *

I am desired to invite a reference to the letter cited in the margin, a copy of which is enclosed for ready reference, asking that a passport may be granted to Mr. G. S. Ethiraj who wishes to proceed to America for purposes of study.

No. Pol.358, dated the 22nd September 1919, with enclosures in original, from the Chief Secretary to the Government of His Highness the Maharaja of Mysore, to the First Assistant to the Resident in Mysore.

It appears that the applicant is not a state scholarship-holder and is not being deputed by the Durbar to undergo a course of study in America. Also the application does not state what the studies are which the applicant proposes to pursue or explain the necessity of going to America to undertake them. In these circumstances, I am to say that, as the existing rules regarding the grant of passports to Indians to proceed to America are very stringent, the Hon'ble the Resident does not propose to grant a passport to the applicant unless the Durbar are particularly anxious that one should be given and press for its grant.

I am also to observe that the applicant's name is not spelt in the same way in the Chief Secretary's letter and in the application form and also that the initials on the back of the certified photograph of the applicant differ from those entered in the application and the covering letter.

Dear Sir,

With reference to your D.O. letter No 7489 dated the 27th September 1919 to the Dewan, re: the grant of passport to one Mr. G. S. Pattiraj I am directed to state as follows:—

The Durban have made further enquiries in the matter and are satisfied that the applicant is an enthusiastic young man who is likely to profit by the studies he wishes to prosecute in America. He ~~has passed in~~ ~~Completed three~~ now a third

year student in the M.B.B.S. course
~~in~~ of the Grant Medical College, Bombay
and desires to specialise in Dentistry
~~for~~ which ~~American U.S.A is believed~~
~~to afford~~ the best training is believed to be had in the U.S.A.

The reason for his being so
anxious to proceed without delay
is found to be that two of
his Cousins, Messrs B.K.
Ram Prasad and P. Narayan Das
are now in America as State
Scholars (vide your letter
Numbers 5488 & 303 dated

re: their Passports)

In these circumstances
and in view of the fact that there
is a paucity of qualified
Dentists in the State, I am to
say that the Durbar would specially
recommend the grant of a Passport
to Mr. G.S. Yatiraj. He
has not yet decided the College
which he will join, and wants
to settle this on arrival in U.S.A
